BONNY'S VINEYARD

Planted by Justin Meyer in 1974 and named for his wife, Bonny's Vineyard went on to become one of Napa Valley's most celebrated Cabernet vineyards and was Silver Oak Cellars' signature bottling for over a dozen vintages. At Meyer Family Cellars, Justin's family continues to produce wine from this historic property.

To honor his winemaking legacy, they proudly offer this extraordinarily unique and age-worthy 2009 Cabernet Sauvignon from the heart of Napa Valley.
