# MEYER NEWS

## Winter 2008

*Spread the joy of the season with Meyer Family Cellars wines, above; Fiery autumn leaves and late blooming flowers welcome visitors to our tasting room, right; Sidney Meyer with new baby sister, Dana, below.*

## DEAR FRIENDS,

As the pace slows at the winery, it gives us time to reflect on the past year and look forward to the holiday season.

## HARVEST 2008

If the old adage is true that grapes need to suffer to produce great wine, then 2008 should be one for the ages. Severe early frosts caused damage to many vineyards, resulting in reduced yields throughout the North Coast. Of course, the frosts will be forgotten in years to come when 2008 is remembered for some of the worst fires California has seen for decades. Thankfully, due to the fires occurring so early in the season (July), fears of smoke taint in wines have gone unfounded. The first grapes arrived early due to a sustained heat spell in July. Although the fires caused an insulating effect, they also trapped heat, producing unusually warm nights. By September temperatures finally fell, offering the vines (and their caretakers) some much needed relief. The remainder of the harvest saw the best weather of the year and the remaining fruit was picked at a leisurely pace.

## 2004 MENDOCINO SYRAH

Our 2004 Mendocino Syrah is now available. We are very excited to release this Syrah, believing it to be, by far, our best vintage to date. It has overt fruit and rich seamless tannin. As is our style, the moderate alcohol and firm acidity makes this an elegant wine. This wine has great cellaring potential, but with already four years age it is beautifully balanced and drinking superbly now.

## THE PORT

Our 1987 Solera Zinfandel Port is delicious at anytime of year, but, as the weather turns cold, it really warms up those winter nights. 21 years in the making, this port wine is smooth, rich, complex, and has finally reached drinking age.

## THE INAUGURAL BONNY'S CABERNET RELEASE EVENT

Thank you to everyone who helped us celebrate the first release of the Bonny's Vineyard Cabernet. A couple hundred friends of the Meyer Family from near and far helped us kick off what we hope becomes a wonderful new pre-harvest tradition here in Yorkville.

Almost all of the Bonny's has left the winery with the exception of a very small amount available exclusively at the tasting room — just an added benefit to our visitors during what we have always felt is the most beautiful time of year to visit Mendocino County. Please call in advance, (707) 895-2341, to make sure the wine is still available.

## NEW FREE SHIPPING

We are now offering free shipping on 6 bottle orders within the Continental US. Please note: We have a new shopping cart, launched in August. This cart does not recognize your previous usernames and passwords. We apologize for the inconvenience, but you will need to re-enter your details.

## NEW ADDITION

One last BIG announcement ... We are very excited to have a new addition to the Meyer Family. Dana Olivia Meyer thoughtfully waited until all grapes were harvested and then made her entrance into the world on November 4th.

Thank you and a happy holiday season to everyone,

*Matt & Karen Meyer
