BONNY'S VINEYARD

Planted by Justin Meyer in 1974 and named for his wife, **Bonny's Vineyard** went on to become one of Napa Valley's most celebrated Cabernet vineyards and was Silver Oak Cellars' signature bottling for over a dozen vintages. At **Meyer Family Cellars**, Justin's family continues to produce wine from this historic property.

To honor his winemaking legacy, they proudly offer this extraordinarily unique and age-worthy 2005 Cabernet Sauvignon from the heart of Napa Valley's Oakville District.
