

MEYER 2009 SYRAH

From the Meyer Family, founders of Silver Oak Cellars, their **2009 Yorkville Highlands Syrah** is beautifully complex, showing spiced plum backed by cassis and dried rose petals. This is the most elegant, approachable, and fruit forward vintage to date. It boasts a moderate alcohol level which is balanced by fine acidity and has plenty of earthy aromas and red-black fruit flavors to recommend it. Delicious with everything from pork chops to pecorino... Cheers!
